MINUTES

BOARD MEMBERS PRESENT

Chairman Nick Picerno, Vice Chairman Jim Von Canon, Kurt Cook, John Ritter, and Tom Adams

CALL TO ORDER

Chairman Picerno called the meeting to order.

INVOCATION

Reverend Kelly Lindsay with Cameron Presbyterian Church offered the invocation.

PLEDGE OF ALLEGIANCE

Tax Administrator Gary Briggs led the Pledge of Allegiance

Chairman Picerno asked the board for point of privilege and addressed the board and audience at this time. He delivered a presentation addressing what he characterized as misinformation circulating on a public website regarding land use and growth in Moore County. He presented data showing that of Moore County's approximately 450,000 total acres, fewer than 8,200 acres (less than 2%) are zoned in districts that permit major subdivisions (defined as five or more homes). He noted that the three applicable zoning designations (RA-20, RA-40, and RA-USB) each require minimum lot sizes of at least one-half acre. Chairman Picerno emphasized that the Board has approved only one major subdivision of 27 homes in the past five years and stated that the Land Use Plan serves as a roadmap, not law, guiding the county's character while allowing for modest, sensible growth concentrated near municipal infrastructure. He challenged the website's portrayal of "runaway growth" and affirmed that property owners should be permitted to use their land in accordance with applicable regulations. *The presentation is hereby incorporated and made a part of these minutes by attachment as Appendix A.*

Upon motion made by Chairman Picerno, seconded by Vice Chairman Von Canon, the Board voted unanimously to move Public Comment to the first item of business.

1. PUBLIC COMMENT

Ellis Domenech, Matt Wolf, Scott Bullard and Phillip Davis offered public comments.

Chairman Picerno responded to the public comments regarding FLOCK cameras. The cameras were obtained through the Sheriff's Department, not directly by the Board, and committed to scheduling a work session with the Sheriff's Department to address the concerns raised.

ADDITIONAL AGENDA

2. There were no additional agenda items.

Chairman Picerno asked whether any commissioner had a conflict of interest regarding agenda items the Board will address during this meeting, and none were identified.

3. CONSENT AGENDA

Upon motion made by Vice Chairman Von Canon, seconded by Commissioner Cook, the Board voted unanimously to approve the consent agenda as presented. *The resolution and project budget ordinance for the Northwest Corporate Area (CON/CA/RPR), corporate hanger project ordinance, SCIF Grant resolution and project budget ordinance, the RISE budget amendment, budget amendments, courthouse and detention buildings capital project ordinance revision 21, North Moore High School capital project ordinance revision 4, WIC budget amendment, NC Great Grant amendment 2, tax releases/refunds, Duke Energy budget amendment, are hereby incorporated and made a part of these minutes by attachment as Appendices B, C, D, E, F, G, H, I, J, K, and L.*

4. **RECOGNITIONS**

There were none.

5. **PRESENTATIONS**

- A. Tax - Senate Bill 992-Truth In Taxation
Tax Administrator Gary Briggs briefed the Board on Senate Bill 992, known as Truth in Taxation. The bill, which has passed the Senate and is currently in committee, would require that in any general reappraisal year, a taxing jurisdiction may not adopt a property tax rate exceeding the revenue-neutral rate unless it complies with a series of notification requirements. These include publishing notice in a newspaper of general circulation at least one week before

a public hearing, posting the notice on the county website at least ten days prior, and mailing a first-class letter to every taxpayer at least 14 days in advance of the public hearing. The letter would be required to include the proposed tax rate, the revenue-neutral rate, estimated taxes under each scenario, and the date and location of the public hearing. Failure to comply could require a full refund of any taxes collected above the revenue-neutral rate. Mr. Briggs noted that implementation would cost Moore County an estimated \$40,000–\$50,000 in printing and mailing costs for its roughly 83,000 bills, though the county's software vendor could assist with formatting. Mr. Briggs reported that 2027 will be a revaluation year for Moore County.

Chairman Picerno noted that Moore County has consistently adopted rates at or below the revenue-neutral rate in recent revaluation cycles and expressed support for the underlying intent of the legislation while objecting to the first-class mail requirement as an unnecessary and costly burden on counties that are already acting responsibly. He suggested that website posting and newspaper publication should be sufficient.

Upon motion made by Chairman Picerno, seconded by Commissioner Cook, the Board voted unanimously to send a resolution to the county's representatives in the General Assembly stating that the first-class mail notification requirement in Senate Bill 992 is excessive and that website posting and newspaper publication should be sufficient.

B. Board of Commissioners - Senior Tar Heels Legislature Presentation

Patricia Smith and Suzanne LaFollette-Black, Moore County delegates to the North Carolina Senior Tar Heels Legislature, presented an overview of the organization and its legislative agenda. *This presentation is incorporated and made a part of these minutes by attachment as Appendix M.*

The Senior Tar Heels Legislature is a nonpartisan body of 100 county delegates sworn in through the legislature and dedicated to advocating for North Carolina's 2.7 million senior residents. Ms. LaFollette-Black and Ms. Smith highlighted several demographic realities shaping aging policy in the state, including Moore County's aging population profile, the rapidly growing proportion of residents over 60 projected through 2040, and the mismatch between aging population growth and stagnant block care grant funding.

Chairman Picerno requested that the organization provide a bullet-pointed list of specific legislative asks suitable for a county resolution. He also raised concerns about the North Carolina Lottery Commission's recent expansion of digital gaming targeting seniors. The presenters indicated their six pending resolutions for the 2027–2028 session would be finalized in September and shared with the Board; these include reestablishment of the Study Commission on Aging, a caregiver tax credit, and housing modifications funding.

C. Board of Commissioners - Moore County Schools 2025-2026 Facility Needs Survey

Moore County Schools Superintendent Jenny Purvis introduced the item, noting that NCDPI requires all school districts to submit a facility needs survey every five years per statute dating to 1988. The document requires acknowledgment, but not agreement or commitment, from both the school board chair and the county commissioner's chair.

Assistant Superintendent for Operations Dr. Pam Patterson walked the Board through the survey's key data points across the county's 22 active physical campuses. The most pressing capacity concerns are at the high school level: Pinecrest High School has an average daily membership (ADM) of 2,295 against a capacity of 1,650, and Union Pines High School has an ADM of 1,452 against a capacity of 1,068 — a combined deficit of 1,029 seats, with 17 and 18 mobile units respectively. Southern Middle and West Pine Middle were also noted as near capacity.

Regarding capital needs, the survey identifies two major projects. For the zero-to-five-year horizon, the new Carthage Elementary School is estimated by NCDPI's formula at \$51.7 million, though Moore County Schools' internal estimate is \$40 million or below. For the six-to-ten-year horizon, a new high school is listed as "West Sandhill High School" — a placeholder name chosen for submission purposes only, as no location or name has been officially determined. The state formula calculates the cost at \$106.8 million, though Superintendent Purvis indicated the actual cost, accounting for land acquisition and athletic field development, would likely exceed that figure. She noted NCDPI's cost data has not been updated since 2022–2023.

The presentation is hereby incorporated and made a part of these minutes by attachment as Appendix N.

Superintendent Purvis also advocated for reform of the lottery repair and renovation funding formula, which currently distributes funds equally among all districts regardless of student population or building count, to the disadvantage of larger districts like Moore County.

After receiving and reviewing this survey, the Board agreed to have the chairman sign the Facility Needs Survey for submission to the State Board of Education.

D. Board of Commissioners - Davis Center

Chairman Picerno provided an update on the Davis Community Center in the Robbins area of Northern Moore County. He noted that a private individual who grew up in the area had approached the county expressing interest in purchasing the facility and investing substantially in its restoration, with legal commitments to keep it open to the community and a reversion clause returning it to the county if the arrangement failed. This inquiry had prompted the County to seek a release from Moore County Schools, which has not yet been completed.

Chairman Picerno noted that \$500,000 in state funding secured through Representative Neil Jackson had been appropriated for improvements to the Davis Center. County Manager Vest noted that the Boys and Girls Club had also expressed interest in programming at the facility. Chairman Picerno stated the Board would like to do what is in the best interest of the building.

Phillip Davis, who had addressed the Board during public comment, reiterated his request that if the property becomes eligible for sale, citizens of Northern Moore County be given a first opportunity to pursue it, consistent with the original wishes of Huey Davis, who donated the property. County Attorney Misty Leland clarified that any sale would need to proceed through the upset bid process, typically beginning with a negotiated offer.

Commissioner Ritter spoke about the historical significance of the Davis Community Center as an educational institution that produced community leaders, and as a recreational and social gathering space for generations of Northern Moore County residents. He expressed enthusiasm for the renewed attention the facility was receiving and thanked Representative Jackson and the county delegation for securing funding.

Vice Chairman Von Canon suggested that any future sale or transfer include a buyback clause preventing the property from being converted to a major subdivision and expressed openness to a public-private partnership approach that would preserve the facility's community purpose while allowing private investment. Chairman Picerno indicated the Board would direct the County Attorney to explore options and bring the matter back to the Board.

6. PUBLIC HEARINGS

7. QUASI-JUDICIAL HEARINGS

There were none.

8. OLD BUSINESS

There was none.

9. NEW BUSINESS

A. Administration - Approval of the Position Classification and Pay Plan for Moore County

County Manager Vest presented proposed updates to the pay and classification plan targeting Department of Social Services (DSS) social work and income maintenance positions. Both categories would be moved up one pay grade within the existing classification structure. The changes were designed to address persistent vacancies in the department by improving the county's competitiveness in recruiting and retaining qualified staff. To offset the cost within the existing DSS budget, three currently vacant positions were placed on hold. DSS Director David Richmond confirmed his support and noted the department has dedicated long-serving staff whose work would be better recognized and rewarded through the adjustment.

Upon motion made by Chairman Picerno, seconded by Commissioner Adams, the Board voted unanimously to adopt the Position Classification and Pay Plan for Moore County effective July 25, 2026.

B. Administration - Apparatus Purchase Eastwood Fire Department – Engine
Public Safety Director Bryan Phillips presented a request for Board approval of an apparatus purchase for Eastwood Fire Department. The item involved procurement of a Toyne Pumper Engine, Spartan FC 94 MFD10, 500 gallons per minute with a 1,000-gallon tank, obtained at a favorable price of \$698,290 through a quote from Riverside Apparatus, LLC, on a demo model entering production. The engine is expected to be delivered by December 2026, with possible early delivery in September. It would replace a 1993 Spartan Engine (Truck 524) with approximately 45,250 miles.

The cost of the engine is \$698,290, which includes a contingency amount of \$20,001 which will be returned to the customer if unused. A down payment was made in the amount of \$33,500 from Eastwood Fire Department on 2/28/2026 to hold the engine with the balance due upon delivery of \$664,789.25 on or around December 2026. The possible contingency savings of \$20,001 could bring the balance due to \$678,289 if the contingency is unused less the market value of \$35,000 to be received by selling the 1993 Spartan Engine could bring the amount due to Eastwood Fire Department \$643,289.

The Eastwood Fire Department is 100% County funded and has been good stewards of their funding. Their unrestricted balance has grown over the last few years and provides enough funding to cover 50% of the engine and still leaves enough of a balance to cover current year expenses and any emergency expenses that may arise. The County proposes covering 50% of the cost of the engine with County funds from 216 (Annual Capital) and 258 (Fire Capital Reserve) in the amount of \$321,645.

Commissioner Adams sought clarification regarding the discrepancy between the amount the fire department understood it would be required to pay and the County's funding allocation. County Manager Vest acknowledged that while the county had committed to helping Eastwood secure the engine when the opportunity arose in March, the specific funding split had not been communicated as this was the first item to come forward for purchase.

Upon motion made by Commissioner Adams, seconded by Vice Chairman Von Canon, the Board voted unanimously to approve Eastwood Fire Department moving forward with the purchase of the Toyne, 1,500 GPM, 1,000-gallon engine with the County portion to be 50% or \$321,645 and Eastwood Fire Department using their unrestricted fund balance to cover the remaining 50% and authorize the County Manager to sign any necessary paperwork for the disbursement of funds.

Upon motion made by Commissioner Adams, seconded by Vice Chairman Von Canon, the Board voted unanimously to approve the budget amendment and authorize the chairman to sign. *The budget amendment is hereby incorporated and made a part of these minutes by attachment as Appendix O.*

C. Administration - Eagle Springs Fire - Building

County Manager Vest presented a proposal to construct a satellite fire station on Fire Tower Road that will allow Eagle Springs to better cover their district. The station would be built on a site secured by a multi-year lease and equipped with a repurposed engine that had previously been slated for replacement. Fire Chief of Eagle Springs Fire Department, Mike St. Onge, noted that he has coordinated with the Office of State Fire Marshal (OSFM) and District Inspector Brian Cox regarding the requirements for the new station. Upon completion and passage of a "9-S inspection," the currently underserved area, presently rated ISO Class 10, the lowest possible rating, will automatically assume Eagle Springs' existing Class 4 rating until the next scheduled reinspection in 2029. This improvement is expected to dramatically reduce homeowner's insurance premiums for affected residents and address a coverage gap that has already resulted in some policies being canceled outright.

The funding recommendation is a budget amendment moving \$1,756,000 from Fund 250 (Capital Reserve for Governmental Projects) to Fund 216 (Fire Capital Projects). The station is designed to be expandable to accommodate future growth in the area.

Commissioner Adams commended the fire departments for their efforts to identify cost-saving measures that benefit Moore County taxpayers and encouraged them to continue pursuing opportunities to improve efficiency and reduce costs.

Vice Chairman Von Canon noted that combined with Station X, this project would cover the majority of the remaining red (unprotected) area on the county's fire coverage map.

Upon motion made by Commissioner Ritter, seconded by Vice Chairman Von Canon, the Board voted unanimously to move funds from 250, "Capital Reserve for Governmental Projects" to Fund 216, "Fire Capital Projects" in the amount not to exceed \$1,756,000 for the Eagle Springs Fire Department, Fire Tower Road, Satellite Station.

Upon motion made by Commissioner Ritter, seconded by Vice Chairman Von Canon, the Board voted unanimously to authorize the chairman to sign the associated budget amendment. *The budget amendment is hereby incorporated and made a part of these minutes by attachment as Appendix P.*

D. Finance - MCS New Information Technology Facility Capital Project Ordinance Fund 484

Assistant Finance Director Chris Morgan explained that at the June 2, 2026 meeting, the Board had approved use of \$3.3 million in capital reserve funds for the construction of Moore County Schools' (MCS) new Information Technology (IT) facility, contingent upon MCS using lottery funds to support Carthage Elementary and upon the \$3.3 million being deducted from the county's future Carthage Elementary funding commitment. It was subsequently determined that lottery funds cannot be used to construct the IT facility because no students receive public instruction inside the building. The revised request is to budget the \$3.3 million directly from the Capital Reserve for Governmental Projects fund via the establishment of Capital Project Ordinance Fund 484, without the lottery fund condition.

Upon motion made by Chairman Picerno, seconded by Vice Chairman Von Canon, the Board voted unanimously to adopt the MCS New Information Technology Facility Capital Project Ordinance Fund 484 and authorize the Chairman to sign. *The capital project ordinance is hereby incorporated and made a part of these minutes by attachment as Appendix Q.*

E. Planning - Request for Letter of Support for Grant Application for STIP Project 5824 (Improvements to NC 690 (Lobelia Rd))

Planning Director Ruth Pedersen presented a request for the Board to consider sending a letter of support for the North Carolina Department of Transportation's grant application for the U.S. Department of Transportation's FY 2026 Nationally Significant Federal Lands and Tribal Projects (NSFLTP) Program, to fund improvements to N.C. 690. NCDOT is seeking funding to deliver improving

Bragg Roads and Access for Greater Growth (iBRAGG), also known as STIP Project R-5824, which will enhance safety and preserve critical transportation infrastructure along N.C. 690 (Lobelia Rd) in Moore County, southeast of Vass, between McLaughlin Road/J. Burns Road (S.R. 2014) and Buffalo Creek. Key improvements include targeted safety enhancements at the intersections of McLaughlin Rd/ J. Burns Rd. and Morrison Bridge Rd., as well as roadway reconstruction at locations with documented geometric deficiencies. These improvements address horizontal and vertical curve deficiencies near Little Creek and along the segment between Wright Rd. and Buffalo Creek, where roadway characteristics contribute to elevated safety concerns.

The North Carolina Department of Transportation (NCDOT) has requested a letter of support that highlights the County's perspective on the need for the project and its anticipated benefits. A draft letter of support was presented for review and approval.

Commissioner Adams noted that the Central Pines Regional Council had already approved a letter of support the previous week. Chairman Picerno and Vice Chairman Von Canon noted the road's record as one of the county's highest-fatality corridors.

Upon motion made by Commissioner Adams, seconded by Vice Chairman Von Canon, the Board voted unanimously to allow the Chairman to execute the attached letter of support for the North Carolina Department of Transportation's grant application for the U.S. Department of Transportation's FY 2026 Nationally Significant Federal Lands and Tribal Projects (NSFLTP) Program. A copy of the letter is hereby incorporated and made a part of these minutes by attachment as Appendix R.

F. Tax - Settlement Reports for 2025-2026

Tax Administrator Gary Briggs presented the preliminary settlement reports for fiscal year 2025–2026 as required by N.C.G.S. 105-373. Unpaid real property taxes for 2025 totaled \$418,606.37 in principal; unpaid personal property taxes totaled \$98,754.33 in principal, constituting the insolvent report. The county achieved a collection rate of 99.51% — the 35th consecutive year collecting above 99%. Chairman Picerno commended the tax department staff and acknowledged the county's taxpayers for their consistent compliance.

Upon motion made by Vice Chairman Von Canon, seconded by Commissioner Cook, the Board voted unanimously to accept the preliminary reports as required by North Carolina General Statute 105-373 and to enter the insolvents list into the official minutes of the Board of Commissioners, to accept the settlement report of current and delinquent real and personal property taxes for 2025-2026, to accept minimal tax bill report for 2025-2026, and by resolution charge the Tax Administrator with the collections of the delinquent real and personal property taxes. The referenced documents are hereby incorporated and made a part of these minutes by attachment as Appendix S.

G. Tax - Charge of 2026-2027 Tax Levy

Tax Administrator Briggs requested that the Board, in accordance with N.C.G.S. 105-321(b), formally charge the Tax Administrator with the collection of taxes for

levy year 2026–2027. He noted that approximately 84,000 bills are scheduled for mailing the following day (July 22, 2026). New features this billing cycle include color-coded banners distinguishing real and personal property bills, three informational inserts covering payment plan options, the upcoming 2027 revaluation, and online payment methods, as well as a notice about changes to USPS postmark guarantees. The Board is offering a 2% early payment discount for taxes paid by August 31, 2026.

Upon motion made by Commissioner Cook, seconded by Commissioner Ritter, the Board voted unanimously to charge the Tax Administrator with the collections of all real, personal, public service company, and motor vehicle taxes for 2026-2027 levy year, and with the collections of all delinquent real, personal, public service company, and motor vehicle taxes. The order is hereby incorporated and made a part of these minutes by attachment as Appendix T.

- H. Public Works - Contract with United Rentals for Emergency Bypass Pumps
Public Works Director Brian Patnode presented a request to ratify an emergency contract with United Rentals for bypass pumps at the county's wastewater treatment plant. In April 2026, the plant experienced disruptions due to a communication conflict between old and new electrical components. The station was placed on bypass to allow full diagnosis, and an electrical contractor ultimately reprogrammed the system to resolve the issue. All systems are currently operational. The contract cost is not to exceed \$138,659.44, to be funded from prior-year budget reserves for unanticipated repairs. Chairman Picerno raised the question of whether any warranty or contractor liability might apply, and County Attorney Leland indicated she would review the matter.

Upon motion made by Commissioner Adams, seconded by Vice Chairman Von Canon, the Board voted unanimously to approve the contract with United Rentals, Inc. in an amount not to exceed \$138,659.44 to be signed by the Chairman upon approval by Legal and Finance departments.

- I. Legal - Resolution Dissolving the Moore County Fire Commission
County Manager Vest presented a resolution formally dissolving the Moore County Fire Commission. The Moore County Fire Commission has served the residents of Moore County well since it was established in 2014. The Fire Commission assisted with implementing portions of the 2013 Volunteer Firemen's Insurance Services (VFIS) study; was instrumental in the development of the annual Rural Fire Protection Service District Budget; and helped develop and maintain a capital improvement and replacement plan for each fire department. In addition, the Fire Commission assisted all fire departments within the County with improving their Insurance Services Office (ISO) rating, and, further, helping the departments in providing enhanced levels of service, preparedness, and emergency response capabilities. During the recent budget development cycles, including the Fiscal Year 2026-2027 budget process, the Moore County Board of Commissioners and County Administration worked more closely with each department's respective Fire Chief regarding operational and capital needs. County representatives met directly

with the Moore County Fire Chiefs' Association, providing a more direct and effective line of communication regarding fire service priorities and needs. Moore County representatives desire to continue the direct line of communication and collaboration with the Moore County Fire Chiefs' Association by meeting with the Association on a scheduled basis of odd-numbered months.

Upon motion made by Vice Chairman Von Canon, seconded by Commissioner Adams, the Board voted 4-0, to adopt the resolution recognizing the service of current and former Fire Commission members; dissolving the Moore County Fire Commission; and affirming the Moore County Board of Commissioners' intent to continue working with the Moore County Fire Chiefs' Association. Commissioner Cook stepped out of the meeting prior to the vote. *A copy of the resolution is hereby incorporated and made a part of these minutes by attachment as Appendix U.*

J. Legal - Resolution Requiring All Boards to Track Attendance

County Attorney Misty Leland presented a resolution requiring all Moore County advisory boards to track member attendance. Commissioner Adams proposed the requirement that the attendance information from the prior year be provided to the commissioners when applicants seek reappointment to their respective boards.

Chairman Picerno noted that the annual attendance reporting requirement and the reappointment review process served distinct but complementary purposes. He explained that the annual reporting mechanism would enable the Board to address members with habitual attendance issues during their terms, while the reappointment review process would provide attendance information to assist the Board in evaluating members for reappointment.

Vice Chairman Von Canon emphasized the importance of full representation on boards, noting that a board of eight or nine members operating with only five attendees fails to represent the range of perspectives the Board intended.

Upon motion made by Commissioner Adams, seconded by Commissioner Ritter, after discussion, the Board voted unanimously to adopt the resolution requiring all Moore County boards, committees, and commissions to maintain attendance records and update bylaws as appropriate, and provide an annual attendance report to the Board of Commissioners prior to January 1 of each year, in addition to attendance information from the previous year when applicants are seeking reappointment to their respective boards. *The resolution is hereby incorporated and made a part of these minutes by attachment as Appendix V.*

10. APPOINTMENTS

A. Board of Commissioners - Designation of Voting Delegate to the NCACC Annual Conference

Upon motion made by Vice Chairman Von Canon, seconded by Chairman Picerno, the Board voted to appoint Tom Adams as the duly designated voting delegate for Moore County at the 119th Annual Conference of the North Carolina Association of County Commissioners to be held during the

Annual Business Session on Saturday, August 22, 2026, at 2:15pm in Durham County.

- B. Board of Commissioners – Appointment to the Juvenile Crime Prevention Council (JCPC)
Upon motion made by Chairman Picerno, seconded by Commissioner Ritter, the Board voted unanimously to reappoint Timothy Hammitt to the Juvenile Crime Prevention Council to serve as the Business Community representative for a term expiring in July 2028.
- C. Board of Commissioners - Appointment to the Moore County Planning Board
Upon motion made by Commissioner Adams, seconded by Commissioner Ritter, the Board voted unanimously to appoint Sara Gassaway to the Moore County Planning Board with a term expiring July 2029.
- D. Board of Commissioners – Appointment to the Moore County Recreation Advisory Board
Upon motion made by Chairman Picerno, seconded by Commissioner Cook, the Board voted unanimously to reappoint Joe Brown to the Moore County Recreation Advisory Board with a term expiring July 2029.

11. ADDITIONAL AGENDA

None noted.

14. ~~PUBLIC COMMENT PERIOD~~ *– moved to Item 1.*

12. MANAGER'S REPORT

County Manager Vest noted he had nothing further to report.

13. COMMISSIONERS' COMMENTS

Commissioner Ritter noted he was glad to be back with colleagues, he is having a great summer and remarked briefly on family activities.

Vice Chairman Von Canon alerted the public to an impending weather event with potential rainfall of up to eight inches before Saturday, accompanied by straight-line winds that had already reached 50 miles per hour in parts of Moore County in recent weeks. He encouraged residents to avoid unnecessary travel during storms, secure loose outdoor items, and be aware of potential flooding.

Commissioner Adams commended county staff broadly, highlighting the quality of the fire apparatus procurement process, the near-perfect tax collection rate, the dedication of DSS employees, and the County Manager's ability to recruit and retain capable personnel.

Commissioner Cook reminded the public to check on elderly friends, family, and neighbors during the summer heat, acknowledging that many older adults are reluctant to ask for help. He also welcomed Planning Director Ruth Pedersen back and congratulated the tax department on its collection performance.

Chairman Picerno expressed pride in the Board's work through the budget process and concluded with remarks on the importance of accurate public information, reiterating the data presented at the opening of the meeting regarding land use and development in Moore County.

14. CLOSED SESSION

None was needed.

ADJOURNMENT

Upon motion made by Vice Chairman Von Canon, seconded by Commissioner Ritter, the Board voted unanimously to adjourn the July 21, 2026, Regular Meeting of the Moore County Board of Commissioners at 8:08pm.

WHERE DEVELOPMENT HAS BEEN APPROVED

- County leadership is accused of approving “runaway growth...”

There is nothing wrong with growth, so long as it is responsible and controlled, but Moore County has passed that point. This page will document the problems with unrestricted urban sprawl and over development. Those of us who live in the rural areas KNOW these problems. Either our decisionmakers don't recognize the problems or they are just turning a blind eye to them. Here is where we will provide information and resources to help fight these major subdivisions in your community.

Had enough? You are not alone . . .

Read real testimonies from real people who are affected by this runaway growth!

- **BUT**, in the last five years, only one major subdivision has been approved by the Board of Commissioners:
- ❖ Holly Grove Pines, 27 homes in RA-USB, next to McLendon Hills

DEVELOPMENT HAS BEEN INCENTIVIZED??

Planning ordinances incentivize major subdivisions. We want to incentivize building farming communities and stop building major subdivisions in rural areas. Here we identify the elected leaders and the planning departments who can do it. Contact them directly and let them know that enough is enough. See

The County

The County is our main focus because that is where we are losing farmland. Call them and let them know your thoughts!

County Commissioners

- Currently, developers must invest enormously into stormwater management plans to submit at preliminary plat, well before they even know whether their project will receive approval – is that incentivizing??
- Currently, over 50% of County acreage is in Present Use Value and farmland has increased from 89,000 acres in 2017 to 106,000 acres in 2022 – but we’re losing farmland??

WHO DETERMINES THE RIGHT KIND OF DEVELOPMENT?

WE NEED THE RIGHT KIND OF DEVELOPMENT

People move to Moore County, NC for its charm and country life - not to be surrounded by half acre tract houses. Moore County has lost sight of its history, heritage, and charm in a headlong rush toward overdevelopment and urban sprawl.

Residential Agricultural Communities of 6-11 acres

If you don't grow you die, but uncontrolled growth is cancer. Moore Family Farms is NOT opposed to growth - in fact, we are pro-growth. We need more family farms!

The new American Dream is owning 6-11 acres of land, a modest home, and buildings for a farm or a home-based business. Retired military and other local citizens don't want to live in tract houses in tightly-packed subdivisions, nor do people fleeing the cities!

6-11 acres are the minimum acreages to qualify for Present Use Value (PUV) tax program. In order to qualify for PUV you must have 5 acres in Horticulture, 10 acres in Agriculture or 20 acres in Forestry. The County Tax Department automatically takes out 1 acre for your house so 6 or 11 is the minimum total to qualify for the program.

Why not 21 acres? Well at an average \$10,000 an acre in Moore County, 6-11 is attainable for new and young farmers to get into a farm with a house and a barn.

WHEN DO WE CLOSE THE GATE?

"I moved away from . . . Illinois to escape the politics, dense subdivisions, crowded roads and schools. I refused to buy a home in a new subdivision. I was specifically looking to buy an existing home because I do not support subdivisions, having lived in one for 17 years. I do not destroy farms to build human farms subdivisions. This will crowd the schools and then raise property taxes to support school expansions. It never ends!"

"We moved to Vass due to ridiculous growth in our former home . . . that made it unsafe for us to ride our own horses around our own home, as my

"I moved to the country to get away from suburbia. Now I have to worry about my country home becoming mired in suburbia. Please stop this onslaught on one of the last holdouts of the American dream. Let Carthage remain a place where people can live in the country and be free from the suburbs."

- Several comments from people who have also moved to Moore County – ok for some but not others??
- Property taxes have been reduced...

CLAIMS VS. FACTS

- We have approved unrestricted urban sprawl, overdevelopment, and runaway growth
- Our ordinances incentivize major subdivisions
- We are losing farmland
- 6 – 11 acres with a house and a barn is the American dream and attainable in Moore County
- Only one major subdivision of 27 homes has been approved in the last **five** years, beside an existing subdivision, in RA-USB where major subdivisions are allowed
- Our ordinances strongly limit where subdivisions can occur and currently cost developers thousands before they even know if projects are approved
- Over half the County is in PUV and farmland has increased from 89,000 acres in 2017 to 106,000 acres in 2022

3. GREAT Award and Matching Funds

The GREAT Award amount in paragraph 2 above and as stated in Section 2.2 of this Agreement is incorporated herein.

Any third-party match shall not exceed 50% of the Grantee's Match Amount. Such amount shall be set out in Exhibit J or a separate two-party agreement.

4. Locations

The Grantee must make broadband service available to all households and businesses approved for this Project. The household and business locations represent address-level locations submitted in the GREAT Grant Program Application and, any adjustments due to the protest process or ineligible locations, as required by NCDIT. A data file of locations approved by NCDIT for this Project is reflected within Exhibit I. Broadband deployments must make broadband service available to the total number of locations outlined in the table below.

Households:	908
Businesses:	257
Total Locations:	1165

Scope of Services**

Amendment 2

Grantee, Spectrum Southeast, LLC, Application #1000014078 (Moore County), will carry out the terms of this contract as follows:

1. Scope of the Project

The Grantee shall deploy infrastructure to the approved Locations required by this Agreement and, upon completion of construction, shall offer to those Locations the minimum download and upload speeds identified in the Grantee's application as the base speed multiplier. The base speed multiplier chosen by the applicant is the minimum speed made available to all Locations in the Project and must be scalable to 100 Mbps symmetrical by December 31, 2026.

2. Project Budget

The proposed budget attached as page 2 to this Exhibit and the budget information submitted in EBS by the Grantee is incorporated herein by reference and approved by NCDIT. Any changes to the project budget must be made in compliance with Section 2.5 of this Agreement. A change of 10% or more constitutes a Material Change and an Amendment to this Agreement is required. A change of less than 10% constitutes a Project Change and the criteria of Section 2.5.b. must be met, approved, and attached as a supplement to this Exhibit.

POLICY DECISIONS TODAY SHAPE THE FUTURE

Educate. Advocate. Empower. Impact.

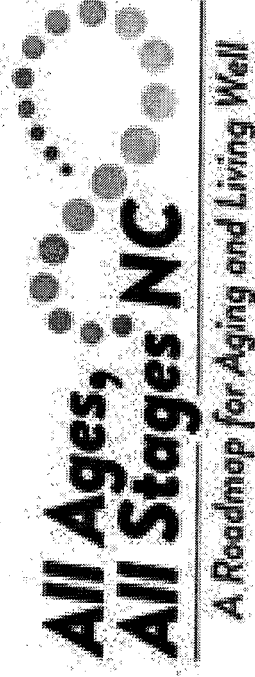

FIVE REALITIES SHAPING AGING POLICY

Educate. Advocate. Empower. Impact.

#1 “AGE FRIENDLY STATE” ACCREDITATION BRINGS 3:1 ROI

- Every \$1 invested in healthy aging interventions can yield about \$3 in economic and healthcare benefits
- Lower healthcare and long-term care costs
- Increased economic participation by older adults
- More efficient use of public resources

Opportunity: NC's *All Ages, All Stages* multi-sector aging plan will deliver cost-savings and quality of life for all NC residents.

ROI EXAMPLE: HOME MODIFICATIONS

FUNDING

The *All Aging, All Stages* plan recommends increased funding for housing modifications that include:

- Ramps
- Modified doorways for wheelchair accessibility
- Grab bars
- Weatherization

Existing HCCBG dollars are not sufficient

Recommendation:

- One-time payments to older adult residents for home upfits

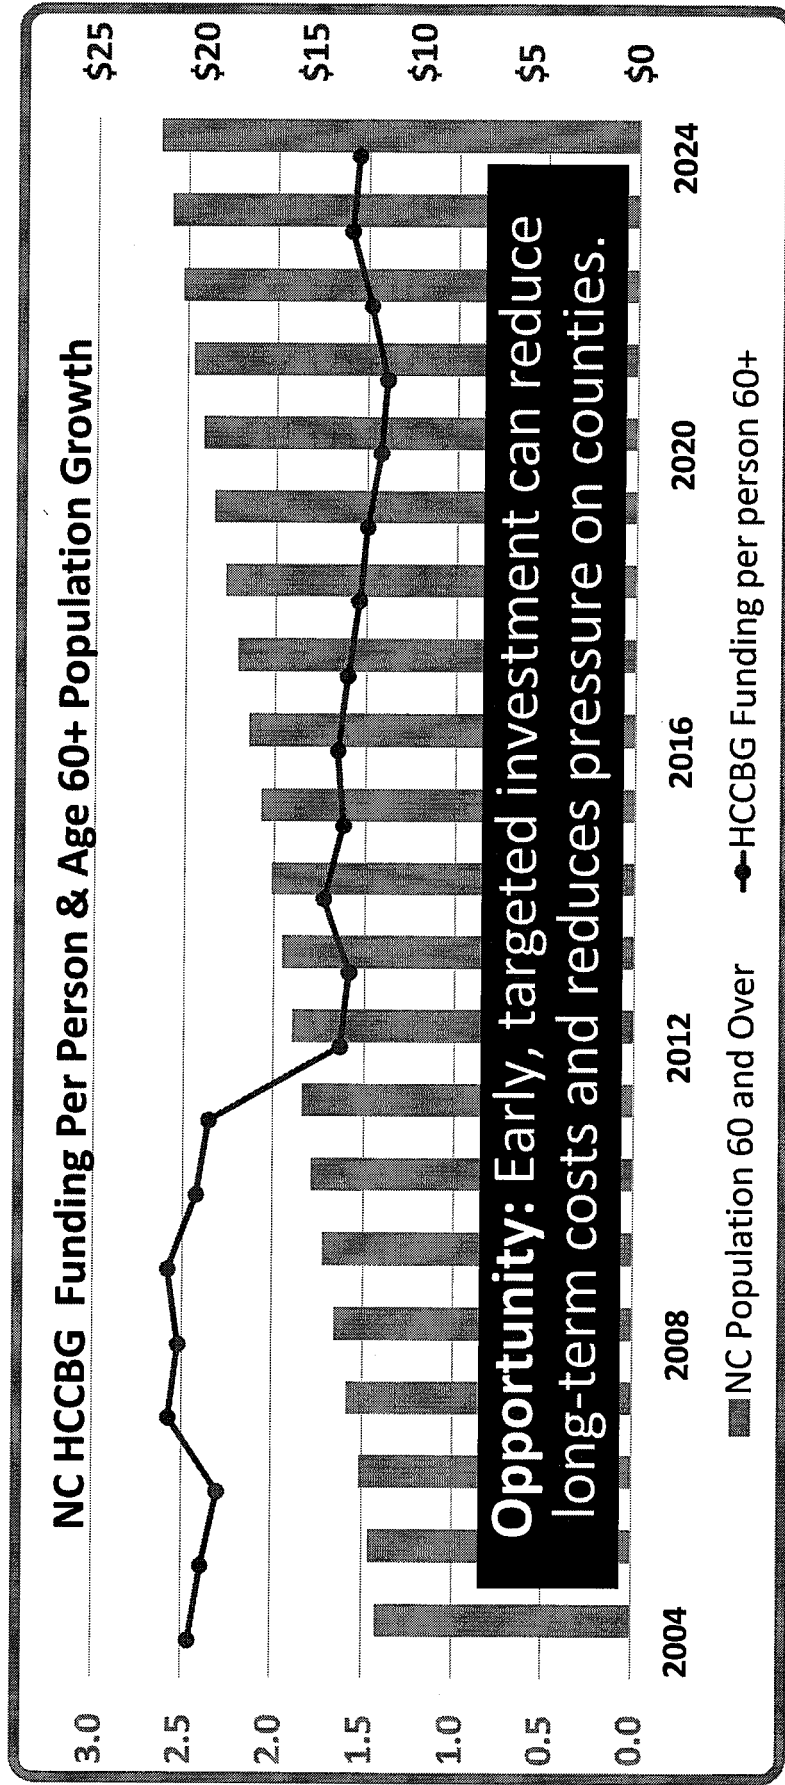

How fast do home modifications pay for themselves compared to nursing home placement?

- \$2,500 in home modifications
- \$353.95 per day Medicaid nursing home rate
- 7 days to recoup the expense

One month of avoided nursing home care pays for most home modifications.

SFY 2025: 37% of Aging expenditures paid for Medicaid nursing home care.
2% funded home- and community-based services for aging in place.

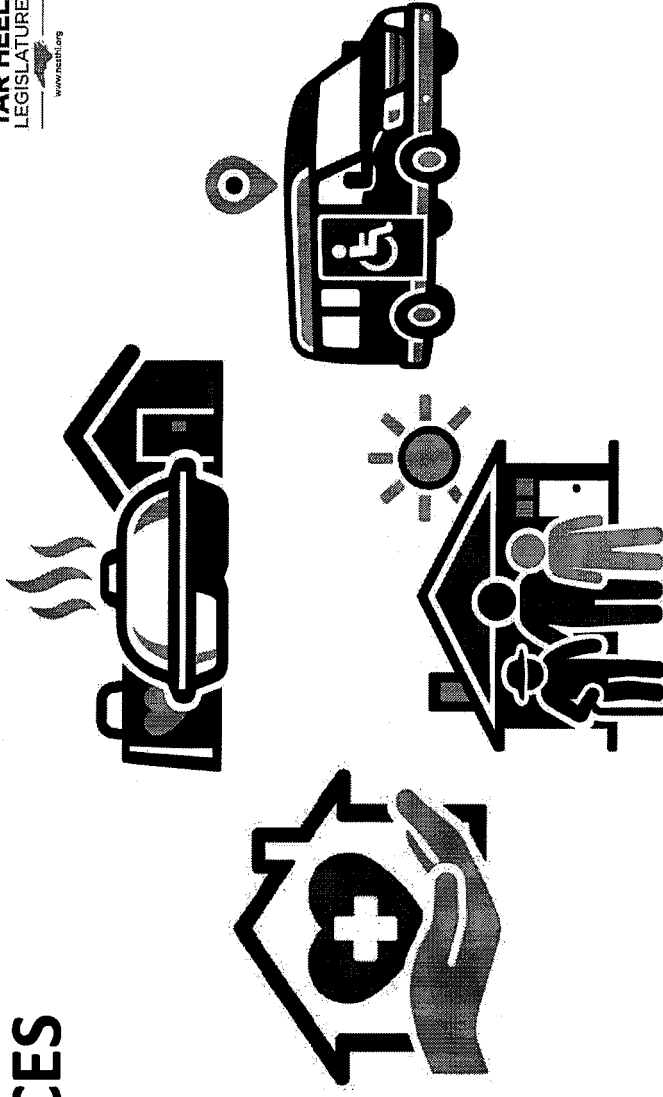

#2 REALITY: NORTH CAROLINA'S AGING POPULATION IS GROWING FASTER THAN FUNDING

Educate. Advocate. Empower. Impact.

#3 REALITY: MANY COUNTIES HAVE WAIT LISTS FOR ESSENTIAL SERVICES

- Home-Delivered Meals
- In-Home Aide
- Medical Transportation
- General Transportation
- Adult Day Care

Opportunity: Modest increases in service funding can eliminate bottlenecks quickly and visibly — a win for constituents and local governments.

#4 REALITY: SPENDING IMBALANCE FAVORS MORE EXPENSIVE LONG-TERM CARE

A long-standing *institutional preference policy* directs most aging dollars to long-term care facilities.

Total Aging Services Expenditures SFY2025	\$ 4,750,707,713	\$4.7 Billion	100%
Long-Term Care via Medicaid	\$ 1,769,305,115	\$1.8 Billion	37%
Aging In Place Services	\$ 90,943,746	\$91 Million	2%

- of aging expenditures went to long-term care = \$1.77 Billion
- While only supported home- and community-based services that enable elders to age in place = \$90.9 Million

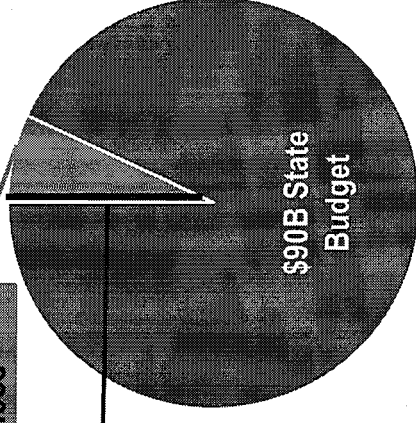

Opportunity: Aging in place services cost less, align with constituent preferences, and reduce strain on Medicaid.

T

#5 REALITY: 25% OF NC POPULATION RECEIVES 0.114% OF STATE BUDGET FUNDING FOR IN-HOME AGING NEEDS

6% All Aging
Services

0.114% Aging in
Place Services

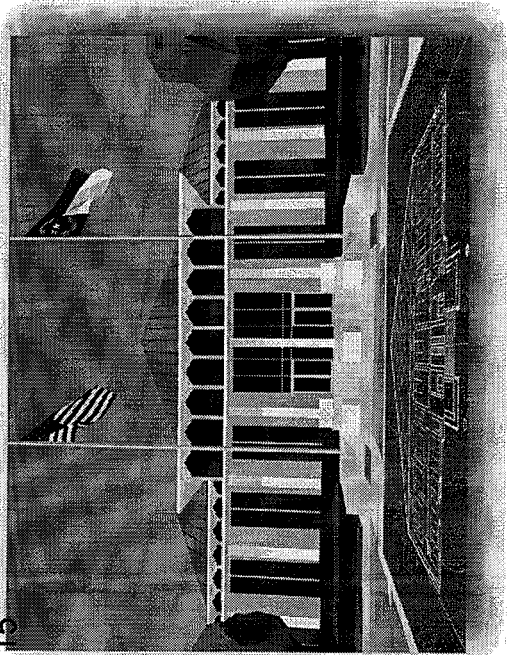

Age 60+: 25% of 11.1 M total NC population = 2.7 M people

Funding for ALL aging services: 6.0% of \$90B state budget = \$4.96 M
(Includes Medicaid funding for facility-based care)

Funding for only Aging in Place Services: 0.114% of \$90B state budget = \$102.6 M

Older adults are one of NC's
GREATEST ECONOMIC AND SOCIAL ASSETS,
as caregivers, volunteers, taxpayers,
voters, and community anchors.

**Opportunity: Supporting older
adults' independence strengthens
every county.**

ADVOCACY WITH RALEIGH

Educate. Advocate. Empower. Impact.

IMPACT: 11 BILLS PASSED IN PAST 20 YEARS

NO LEGISLATIVE ACTION:

- **HCCBG Funding:** Requested nearly every year since 1994
- **Senior Center Support:** A priority for 25 of the last 30 years
- **Long-Term Care Staff-to-Patient Staffing Standards:** Requested since 2019

2025-26 LEGISLATIVE AGENDA GOALS

- 8 recommendations to the NCGA in 2025
- Attracted 4 sponsors, none passed

RESILIENCE. We are in it for the long game.

2025-26 LEGISLATIVE AGENDA

The NC Senior Tar Heel Legislature recommends these goals to the NC General Assembly.

- Adult Protective Services (APS).** Pass statutory changes recommended by the Adult Protective Services Improvement Design Team and provide state funding to support needed capacity to protect all vulnerable older and disabled adults across the state.
- Senior Centers.** Create and fund robust senior centers for all counties in the state, to ensure socialization and well-being, to provide information and education, to perform triage in providing appropriate assistance services, and to prevent debilitating isolation.
- Home & Community Care Block Grant.** Create policies that rebalance the system of in-home services versus institutional care, including budget appropriations to ensure continuity of home- and community-based services and supports to address the rising number of older adults.
- Older Adult Housing.** Alleviate the severe housing shortage by supporting the availability of safe, affordable, and accessible housing for older adults and help older adults age in place in their homes.
- Adult Protective Services (APS).** Pass statutory changes recommended by the Adult Protective Services Improvement Design Team and provide state funding to support needed capacity to protect all vulnerable older and disabled adults across the state.

- Home & Community Care Block Grant.** Create policies that rebalance the system of in-home services versus institutional care, including budget appropriations to ensure continuity of home- and community-based services and supports to address the rising number of older adults.
- Older Adult Housing.** Alleviate the severe housing shortage by supporting the availability of safe, affordable, and accessible housing for older adults and help older adults age in place in their homes.
- New Community-Based Services Program.** Establish a funding stream of at least 2 million dollars to be administered by the Division of Aging, outside of the constraints of the Home and Community Care Block Grant Program, that supports services allowing recipients 60+ to live in their homes safely as long as possible.
- Long Term Care Ombudsman Program.** Strengthen the state's Long Term Care Ombudsman Program by addressing staffing concerns associated with paid ombudsman positions and defining roles and responsibilities of the Community Advisory Committee volunteers.
- Healthcare Workforce Crisis.** Address the critical shortage of healthcare workers by addressing the healthcare workforce crisis through expanded financial incentives and support for individuals pursuing careers in healthcare.
- Nursing Home Staffing Standards.** Strengthen nursing home staffing standards by adopting a state required minimum staffing standard at least equal to the current federal regulatory standard of 3.48 hours per resident per day.

2025-26 LEGISLATIVE SUCCESS FOR AGING ISSUES

- **Session Law 2025-23** – Creates Adult Protective Services Multidisciplinary Teams in each county
- **Session Law 2025-58** – Regulates CCRCs (Continuing Care Retirement Communities)
- **Session Law 2025-27** – Addresses unlawful operation of adult care homes
- **Session Law 2025-37** – Provides supports for the direct healthcare workforce

LEGISLATIVE PLANS FOR 2026

Support Housing Initiatives

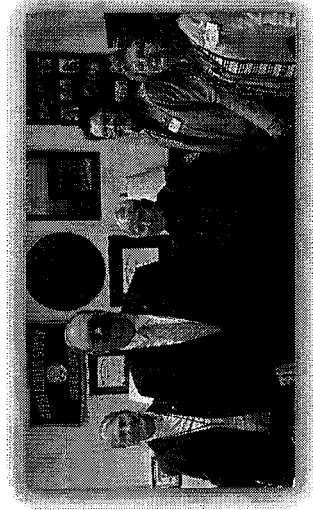

- Provide housing from the lens of older adults in all 100 counties
- Prioritize policies and funding that expand affordable housing options
- Increase accessibility modifications
- Support community-based living environments that allow older adults to age with dignity, independence, and security

Include NCSTHL in the State Budget

- Serve as the voice and ears of older adults in YOUR county, who have opinions and consistently vote often
- Provide targeted, recurring state funding to support the operations, coordination, and outreach of the NCSTHL
- Ensure older adults across all regions of the state have an informed, and organized voice in state policymaking

NEXT STEPS

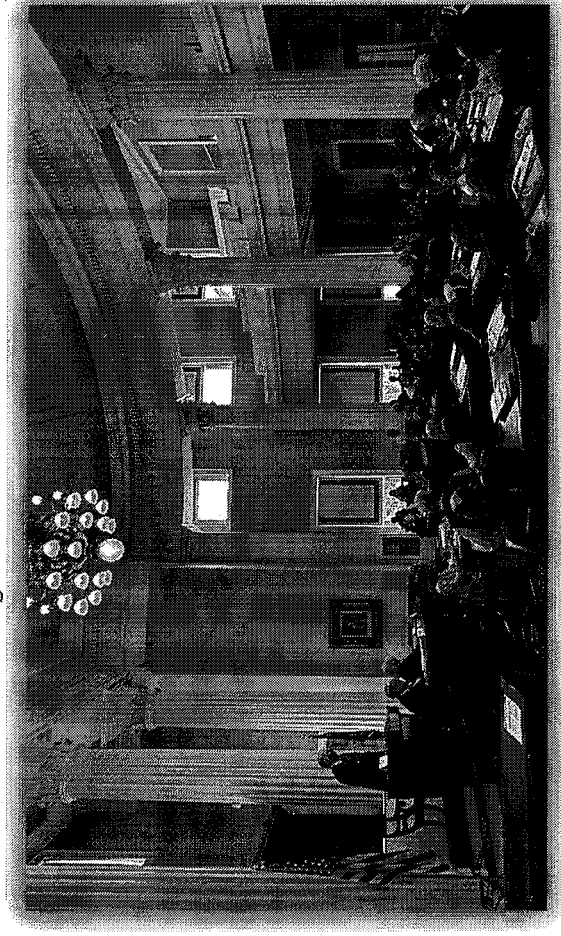

- Seek sponsoring Senators and house Representatives
- Raise awareness about NCSTHL and its mission
- Grass roots support for our legislative recommendations to the NCGA

Facilities Needs Survey | 2025-2026

Moore County Schools Long Range Plan

Administrative Unit: Moore County Schools (Unit 630)

I. Certification of Board of Education

The Moore County Schools Board of Education hereby submits this Facility Needs Survey identifying existing facilities, planned capital projects, facility improvements, and new facilities needed to accommodate projected enrollments through the 2030-31 school year, in order to provide safe, comfortable, and educationally-appropriate learning environments that support the curriculum and programs in our district.

We understand that baseline construction costs have been incorporated into the survey tool and are representative of statewide construction cost averages to provide uniform comparisons.

We certify that the information provided in this submission is an accurate representation of our current facility needs. Alternatives were considered in preparing this submission, and this plan provides the best balance between capital cost and educational benefit for our students.

July 21, 2026

The Honorable Sean Duffy
Secretary of Transportation
U.S. Department of Transportation
1200 New Jersey Avenue, S.E.
Washington, DC 20590

Dear Secretary Duffy:

On behalf of the North Carolina Department of Transportation (NCDOT), we are pleased to express our support for improving Bragg Roads and Access for Greater Growth (iBRAGG) (or "the Project"), submitted to the U.S. Department of Transportation's FY 2026 Nationally Significant Federal Lands and Tribal Projects (NSFLTP) Program.

The Project will enhance safety and preserve critical transportation infrastructure along N.C. 690 (Lobelia Road) in Moore County, southeast of Vass, between McLaughlin Road/J. Burns Road (S.R. 2014) and Buffalo Creek. Key improvements include targeted safety enhancements at the intersections of McLaughlin Road/J. Burns Road and Morrison Ridge Road, as well as roadway reconstruction at locations with documented geometric deficiencies. These improvements address horizontal and vertical curve deficiencies near Little Creek and along the segment between Wright Road and Buffalo Creek, where roadway characteristics contribute to elevated safety concerns.

Designed in accordance with NCDOT's Resurfacing, Restoration, and Rehabilitation (3R) criteria, the Project focuses on extending the service life of the existing roadway while improving safety and operational performance. The proposed improvements will rehabilitate aging pavement, reduce crash risk, and address hazardous roadway curves and intersections while largely maintaining the existing corridor alignment. By modernizing critical roadway features and improving overall driving conditions, the Project will provide long-term transportation benefits for residents, visitors, and military personnel who rely on this corridor.

N.C. 690 serves as a critical access route to Fort Bragg, one of the largest and most strategically important military installations in the nation. The corridor supports daily travel by military personnel, civilian employees, contractors, residents, and visitors while connecting rural Moore County communities to employment centers, healthcare facilities,

educational institutions, and commercial destinations. In addition, N.C. 690 provides an important route for the movement of agricultural and forestry products, supporting local farms, timber operations, and related industries that contribute to the region's economy. By enhancing the safety and reliability of this transportation link, the Project will improve access to significant federal resources and facilities, strengthen military readiness, support the efficient movement of people and goods, promote regional economic activity, and enhance mobility for surrounding communities.

The proposed improvements align closely with the goals of the NSFLTP Program by enhancing a vital transportation corridor that provides access to Fort Bragg and supports the movement of military personnel, residents, agricultural products, timber, and other goods throughout the region. Thank you for your consideration of NCDOT's NSFLTP grant application. This investment will improve roadway safety, strengthen access to critical federal resources, preserve essential transportation infrastructure, and promote reliable transportation connections that support military readiness, economic growth, freight mobility, and community connectivity.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nick Picerno', with a stylized, sweeping flourish at the end.

*Motor Vehicle Value has been added in to account for the collection for DMV collection of taxes.

** Motor Vehicle Taxes for the current fiscal year are collected by the state of North Carolina. The State began collections for MV taxes effective with Fiscal Year 2014/2015. Since that time the Tax Administrator is tasked with collections of the prior year MV taxes only. The column you see above for DMV "MV Only" is for informational purposes only.

RESOLUTION

WHEREAS, Moore County Tax Administrator has provided in his annual settlement preliminary reports containing the list of the names of persons owning real property whose taxes for 2025 remain unpaid and a list of persons owing taxes but listed no real property whose taxes remain unpaid; and

WHEREAS, North Carolina General Statute 105-373(a)(2) states that the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes but listed no real property whose taxes remain unpaid and whom it finds to be insolvent; and

WHEREAS, a diligent effort has been made to collect these taxes out of the personal property of the taxpayers concerned; and

WHEREAS, other means open to the collector have been used for collection of such taxes; and

WHEREAS, where applicable, collection outside the taxing unit has been attempted; and

WHEREAS, all information has been provided concerning those taxpayers as may be of interest to or required by the governing body; and

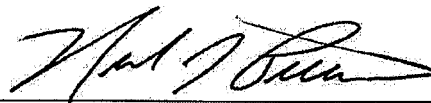

WHEREAS, the allowance of insolvents does not extinguish the claim for taxes; and

WHEREAS, the collector will continue to pursue collections of such taxes until the ten-year statute of limitations expires; and

WHEREAS, the Board of Commissioners by resolution should accept the lists as presented and declares that no one on the preliminary report of persons owing taxes but listed no real property should be determined insolvent; and

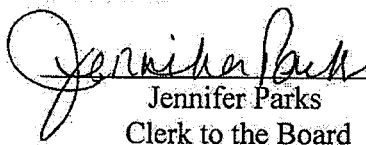

NOW, THEREFORE, BE IT RESOLVED, that the list of persons owing taxes but listed no real property whose taxes remain unpaid along with the list of unpaid 2025 real property taxes be charged to the Tax Administrator for collections as delinquent taxes.

Adopted this the 21st day of July, 2026.

REPORT OF DELINQUENT PERSONAL PROPERTY TAXES

TO: Moore County Board of Commissioners

The undersigned tax collector respectfully reports that certain personal property taxes levied for the year 2025, remain uncollected, such uncollected taxes are being set out below. Said taxes are not liens upon real estate. The undersigned tax collector has made diligent efforts to collect said taxes by use of remedies against personal property as provided by law but has been unable to locate sufficient property belonging to delinquent taxpayers out of which the taxes might be collected. In every instance in which the tax collector has been able to discover through diligent inquiry the existence of property belonging to delinquent taxpayers within other taxing units in North Carolina, the undersigned has proceeded under the provisions of G. S. 105-364.

Per Attached Printout

(Principal Amount) \$98,754.33

The undersigned requests that the above-listed taxes be charged to the Tax Administrator as delinquent taxes upon annual settlement.

This 21st day of July, 2026.

Gary E. Briggs
Tax Administrator

Sworn and subscribed to before me,

**ORDER OF THE BOARD OF COUNTY COMMISSIONERS
IN ACCORDANCE WITH NORTH CAROLINA GENERAL STATUTES 105-321 AND 105-330.3**

TO: GARY E. BRIGGS

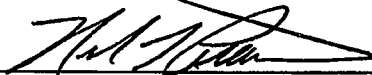

**TAX COLLECTOR OF MOORE COUNTY, TOWN OF ABERDEEN, TOWN OF CAMERON,
TOWN OF CARTHAGE, FOXFIRE VILLAGE, VILLAGE OF PINEHURST, TOWN OF ROBBINS,
TOWN OF SOUTHERN PINES, TOWN OF TAYLORTOWN, TOWN OF VASS, AND VILLAGE
OF WHISPERING PINES**

You are hereby authorized, empowered, and commanded to collect the taxes set forth in the tax records, current and delinquent, filed in the office of the Tax Collector, and in the tax receipts herewith delivered to you in the amounts and from the taxpayers likewise therein set forth. You are further authorized, empowered, and commanded to collect taxes charged and assessed as provided by law for adjustments, changes, and additions to the tax records and tax receipts delivered to which are made in accordance with law. Such taxes are hereby declared to be a first lien on all real property of the respective taxpayers in Moore County, Town of Aberdeen, Town of Cameron, Town of Carthage, Foxfire Village, Village of Pinehurst, Town of Robbins, Town of Southern Pines, Southern Pines Municipal Service District, Town of Taylortown, Town of Vass, and Village of Whispering Pines, Moore County Fire Service Districts and Advanced Life Support (ALS) Districts. This order shall be a full and sufficient authority to direct, require, and enable you to levy on and sell, any real or personal property, and attach wages and/or other funds, of such taxpayers, for and on account thereof, in accordance with law.

You are further authorized to call upon the Sheriff to levy upon and sell personal property under execution for the payment of taxes.

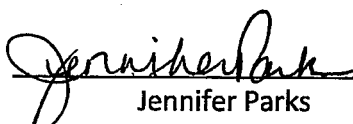

Within available funds in the budget ordinance and personnel positions established, the Tax Collector may appoint employees, and they have authority to perform those functions authorized by the Machinery Act of Chapter 105 of North Carolina General Statutes and other applicable laws for current and previous year's taxes. County personnel presently in the Tax Collector's Office continue to serve in their respective positions.

WITNESS my hand and official seal, this the 21st day of July, 2026.

A RESOLUTION BY THE MOORE COUNTY BOARD OF COMMISSIONERS
DISSOLVING THE MOORE COUNTY FIRE COMMISSION WHILE
RECOGNIZING THE SERVICE AND CONTRIBUTIONS OF ITS MEMBERS

WHEREAS, the Moore County Fire Commission have served Moore County and its citizens well since it was established in 2014; and

WHEREAS, the Fire Commission assisted with implementing portions of the 2013 Volunteer Firemen's Insurance Services (VFIS) study; and

WHEREAS, the Fire Commission was instrumental in developing the annual Rural Fire Protection Service District budget; and

WHEREAS, the Fire Commission helped develop and maintain a capital improvement and replacement plan for each fire department; and

WHEREAS, with the assistance and efforts of the Fire Commission, each fire department within Moore County has improved its Insurance Services Office (ISO) rating, reflecting enhanced levels of service, preparedness, and emergency response capabilities; and

WHEREAS, during recent budget development cycles, including the Fiscal Year 2026-2027 budget process, the Moore County Board of Commissioners and County Administration have worked more directly with each department's respective Fire Chief regarding operational and capital needs; and

WHEREAS, throughout the Fiscal Year 2026-2027 budget development process, County representatives met directly with the Moore County Fire Chiefs' Association, providing a more direct and effective line of communication regarding fire service priorities and needs; and

WHEREAS, the Moore County Board of Commissioners, Moore County Administration, and the Moore County staff desire to continue the direct line of communication and collaboration with the Moore County Fire Chiefs' Association by meeting with the Association on a scheduled basis of odd-numbered months; and

WHEREAS, the Moore County Board of Commissioners recognizes and sincerely appreciates the efforts, dedication, expertise, and accomplishments of the Fire Commission and its current and former members who faithfully served on the Commission.

NOW, THEREFORE, BE IT RESOLVED by the Moore County Board of Commissioners that:

1. The Moore County Board of Commissioners hereby recognizes and expresses its appreciation to all individuals who have served as members of the Moore County Fire Commission since 2014;
2. The Moore County Board of Commissioners acknowledges and commends the many successes and contributions of the Fire Commission, including its role in improving fire protection services, assisting with capital planning, supporting annual budget development, and contributing to improved ISO ratings throughout Moore County;

3. The Moore County Board of Commissioners affirms its intent to continue working directly with the Moore County Fire Chiefs' Association and, when appropriate, with individual Fire Department Chiefs to address fire service needs and priorities within Moore County; and
4. Effective upon adoption of this Resolution, the Moore County Fire Commission is hereby dissolved.

Adopted this 21st day of July, 2026.
